Studio Sober Autumn / Winter 2010 – 11 Collection

Studio Sober draws inspiration from the city and designs directly for it. The collection, with its neutral colours and simple geometries fade into the urban context. It functions as some form of urban camouflage. It is not designed for those who desperately seek attention, but for those who are sure about themselves. Workmanship, attention to details, and a sincere devotion to high quality, reflect the wearer's idiosyncrasy which is refined, subtle and elegant.

DESIGNER: Studio Sober, Amsterdam, The Netherlands, www.studiosober.nl. COLLECTION: Autumn / Winter 2010 – 11.
